Promoting language development

- Point to objects in the book and say the words out loud
- Encourage your child to count along with the story
- Ask your child to name the colors in the book, or point them out and name them
- Work on sequencing skills example: First, the caterpillar ate an apple, second he ate two pears or you can emphasise on the days of the week Monday, Tuesday, etc...
- You can discuss the life cycle of a caterpillar's life along with the book
- Ask your child what foods from the book are their favorite, which ones are healthy/not so healthy
